WASHINGTON, D.C. 20301

Approved For Release 2005/01/06 : CIA-RDP83B01027R000200050013-7

14 September 1978

U-0557/DN-1A

X1 [redacted]  
Director Operations Center  
Central Intelligence Agency  
Washington, D.C. 20505

X1 Dear [redacted]

Plans for our Indications and Warning Seminar have been completed and the agenda is enclosed. It will be in the NMIC Conference Room (Pentagon, Room 1D883) on the 25th and 27th of September. As you know we are expecting Ambassador Carlucci to keynote the seminar. In addition, presentations will be made by [redacted] Mr. George Dragnich, State; [redacted] plus a variety of others. The general theme is "I&W in the Third World."

Due to space constraints, we ask that you limit your representation to yourself or a representative at any one time during the seminar (additional invitations are being sent to DCI/CT, DCI/NFA, DCI/RM). Seminar discussions will be at the SI/TK/SAO level. Pass names, social security numbers, and clearances of participants to DIA, Attention: DN-S, RSS-4 (info DN-1A) by 20 September. We plan to cater lunch during the seminar and there will be a cocktail party Tuesday evening. The cost for the two days should be about \$12.00 per person. Additional administrative information will be provided in a brochure which will be available on 26 September. My action officer for the seminar is [redacted]

X1 [redacted]  
I look forward to stimulating and mutually beneficial discussions.

Sincerely,

1 Enclosure a/s

#### ADMINISTRATIVE SUPPORT

Administrative support for seminar attendees will be provided through VDN. [REDACTED], is the point of contact for such matters (Room 1E880, phone 77822). He and all seminar support personnel are cleared for the highest classification of material presented. Secretarial service will be made available through this office.

25X1

A safe will be available for overnight storage of classified material. Incoming phone calls during the seminar should be directed to 77822. A memo of the call will be passed into the conference room. Outgoing phone calls may be placed in Room 1C938B.

#### BRIEFING ASSISTANCE

Appropriately cleared projectionists are available to change slides for presentations. Briefers should contact [REDACTED] in Room 1C938B for details, special requirements and to turn slides over to the projectionists.

X1

#### LUNCHEON ARRANGEMENTS

To keep the disruption caused by luncheon breaks to a minimum, arrangements have been made for seminar participants to eat lunch in the NMIC conference room. Because the caterer must receive an accurate count of the sandwiches required early in the morning of the first seminar meeting, attendees are asked to indicate at registration whether they will be eating lunch with the seminar group. The receptionist outside the conference room will accept payment for lunch(es) prior to the start of the seminar. A luncheon menu for each day is attached.

#### SOCIAL GATHERING

All seminar participants are cordially invited to attend a no-host cocktail party at 1630-1800 on 26 September. It will be held in the JCS Chairman's Mess (Room 2E877) on the floor above the NMIC conference room. Payment for the social hour will be accepted at the same time as payment for lunch.

#### TRANSPORTATION

Emergency transportation will be provided through the VP's office. Should the need arise during the seminar, a car and driver will be made available by calling [redacted] or [redacted] at 56475. During non-duty hours call the NMIC Alert Center at 50175.

#### PARKING CLEARANCES

Participants who have personal or rental cars are authorized to park in the E-1 visitors lot (south of the River Entrance off Boundary Channel Drive adjacent to the power plant) and in the South Parking visitors spaces around the perimeter road. Although the normal visitors parking time limit is three hours, all day clearances for cars can be obtained by notifying the receptionist of the car location and expected time of departure.

#### FINAL REPORT

DIA will prepare a final report of the proceedings of the seminar and will furnish copies to all agencies/commands participating. In the interest of speeding publication, the report will not contain verbatim transcripts of the formal presentations unless individual speakers specifically request their scripts be included. In that case, a copy of the final text and smooth reproducible graphics must be delivered to the seminar action officer [redacted] [redacted] DN-1A, Room 1C938B, at 57995/54407 immediately after the briefing is given. Otherwise, the report will contain a summary of the key points of each presentation together with the name, address, and telephone number of the briefer, so he can be contacted directly by anyone desiring a copy of his remarks.

# ATTACHMENTS

MENU

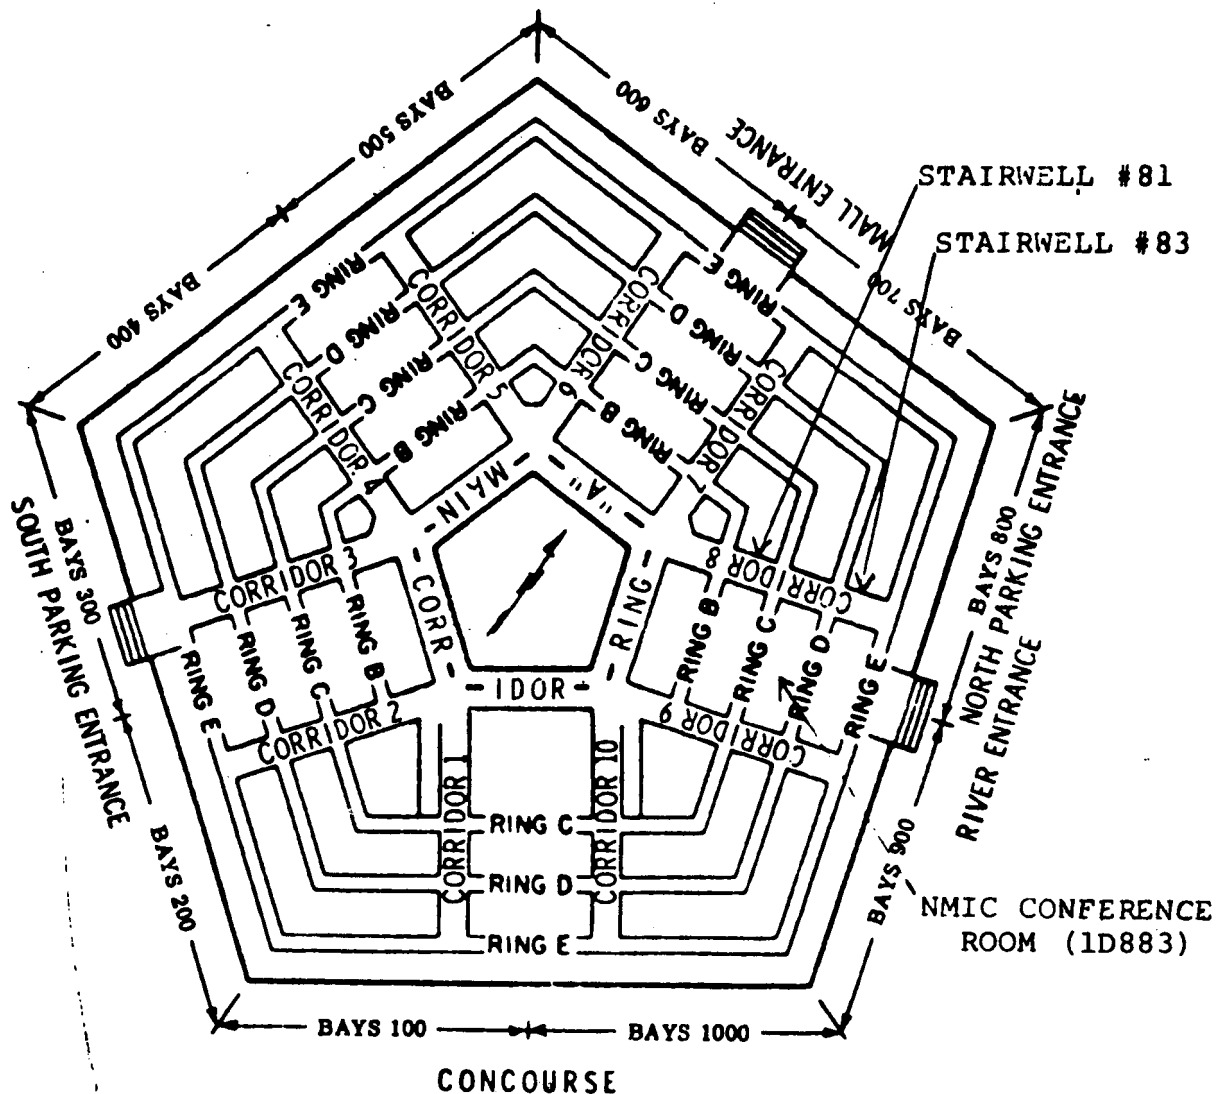

TUESDAY, 26 September 1978

# GUIDE TO THE PENTAGON

## BUILDING PLAN..

Each floor is formed of 5 concentric rings connected by 10 spoke-like corridors.

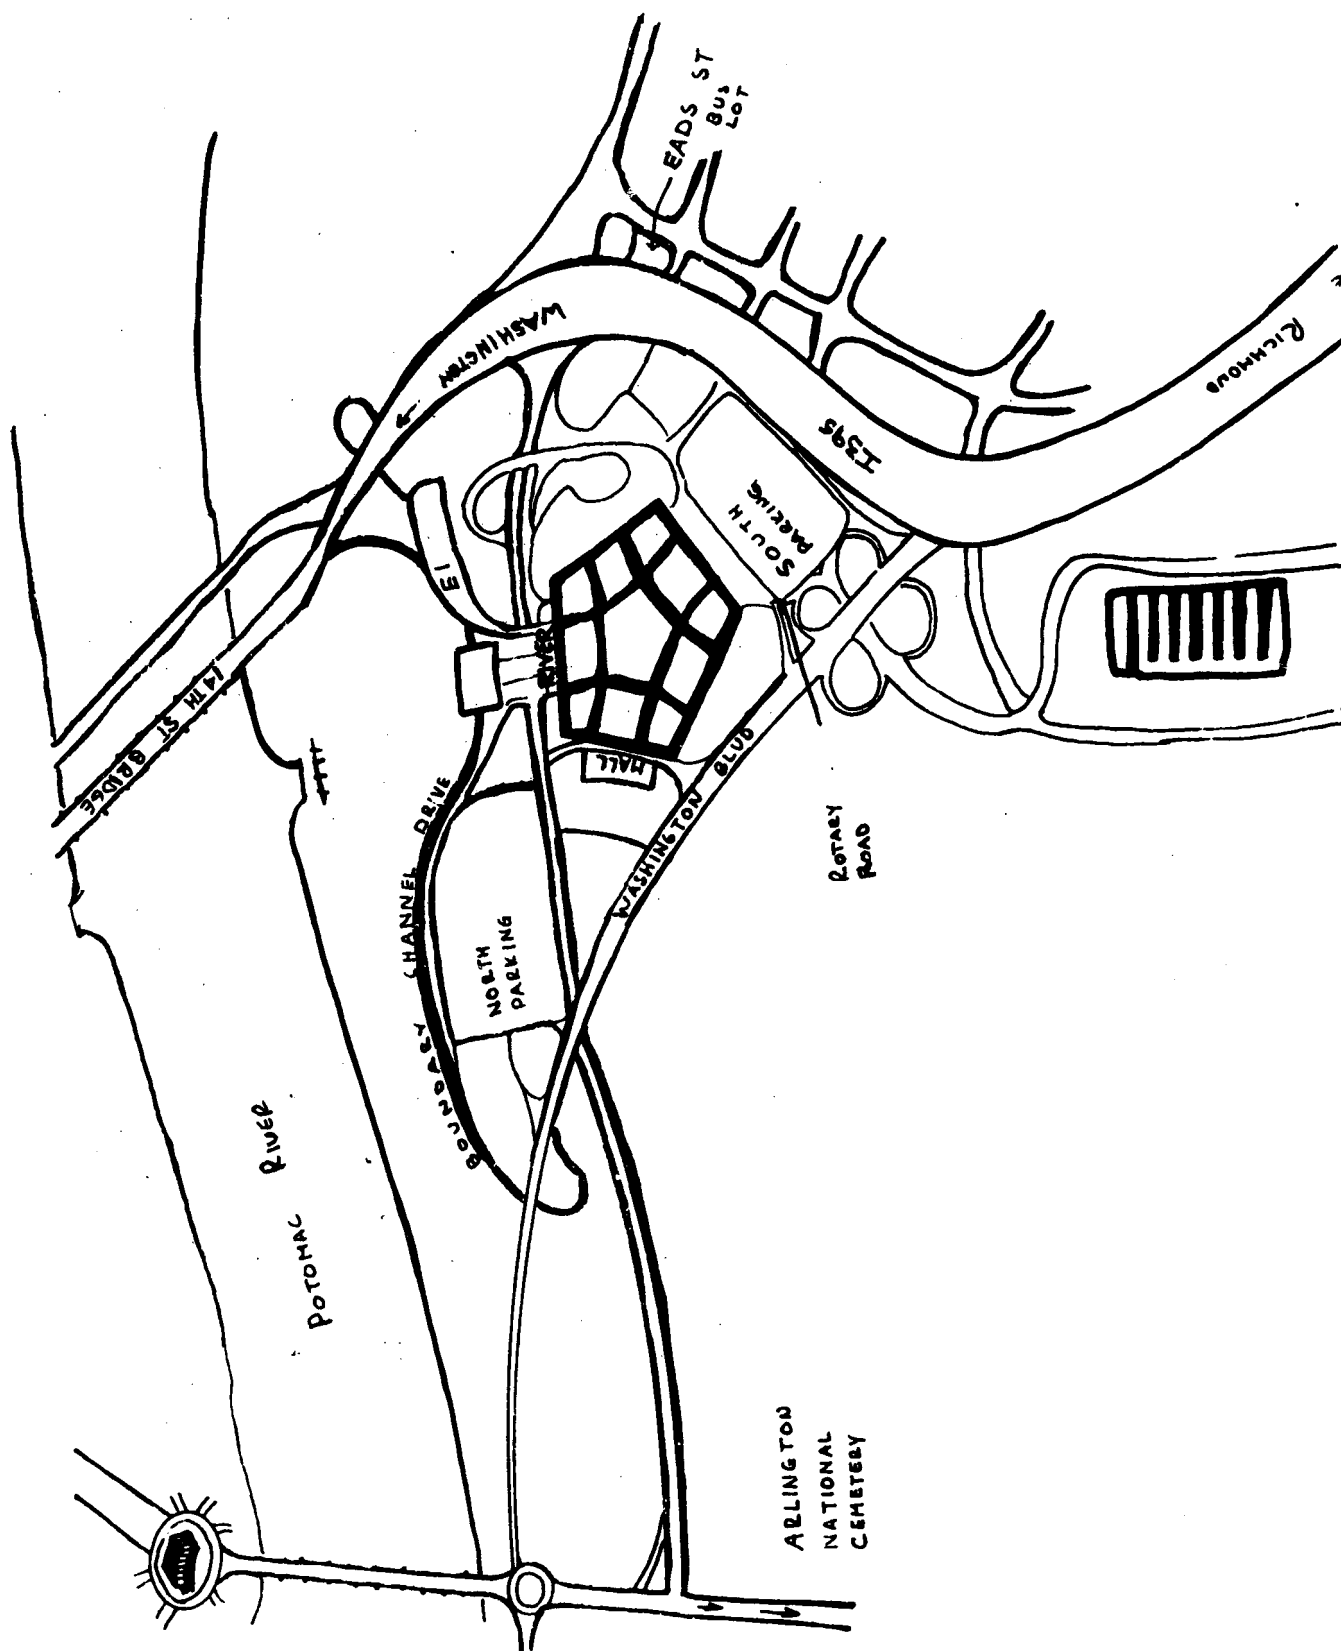

### WHAT ROOM NUMBERS MEAN..

First digit is the Floor.  
Letter is the Ring.  
Next digit is the Corridor.  
Last two digits are the Room.

### HOW TO FIND A ROOM..

EXAMPLE, 3-C-138

1. Go to 3d Floor, A Ring.
2. Proceed on A Ring to 1st Corridor.
3. Go down 1st Corridor to C Ring.
4. Turn left to Room 138.

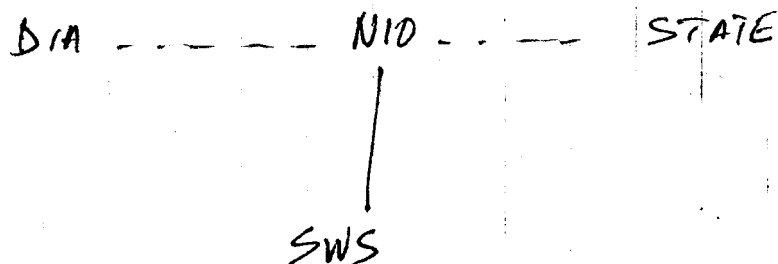

NFIB sub-committee  
on Warning

- chaired by DDCI

WARNING WORKING GROUP  
(NIO, DIA, STATE, C.T.)

- chaired by NIO/WARNING

~~STOP~~

1. Lehman as NIO
2. DIA officer as Asst NIO
